### Test Scores > Reports > Test Scores > STS0800 - EOC Student Test Scores Profile

This report lists student end-of-course (EOC) test score data and special program information.

The following special programs are included in the report: Bilingual (Bil), Career and Technology (CTE), Economically Disadvantaged, English as a Second Language (ESL), Emergent Bilingual (EB), Gifted and Talented (GT), Pregnancy Related Services (PRS), At Risk, Special Education, and Title I. The information displayed on the report is collected from the ASCENDER Test Scores and Registration applications. The report title changes according to the selected report parameters.

- The report cannot be run for both a special and local program.
- If the report is run for a specific special program, local program data is not displayed.
- If the report is run for a specific local program, all applicable special programs data is displayed.
- The default sort order is by campus, grade level, and student name. However, the report can be sorted or filtered (see below).

Parameter	Description	
Campus ID (Blank = All Auth Camp)	Type the three-digit campus ID, or click it o select the campus. Leave blank to select all campuses in the district.	
	<b>NOTE:</b> If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the <b>Exclude from District Reporting</b> field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.	
Grade Level (Blank for ALL)	Type the two-character grade level, click to select the grade level, or leave blank to select all grade levels.	
Student ID (Blank for All)	Type the six-digit student ID number, including all leading zeros. Or, click ito select the student. Leave blank to select all students.	
Special Program (Blank for All)	Type the three-character special program code, or click to select the code. Leave blank to select all special program codes.	
Local Program (Blank for None)	To include only students enrolled in the specified local program, type a valid three-character alphanumeric, user-defined local program code. You can obtain codes on Registration > Maintenance > Student Enrollment > Local Programs.	
Program as of Date (Blank = Current Date (MMDDYYYY))	Type the date or click 🗷 to select the date from a calendar. Leave blank to use the current date.
