Mark grades ready to post

Admin > Admin Options

A TeacherPortal administrator can mark courses as 'Ready to Post' for the entire campus, or for teachers who have not marked their own courses as 'Ready to Post'.

- Click the **Admin Options** link to expand the section. The **Mark Ready to Post** button is displayed.

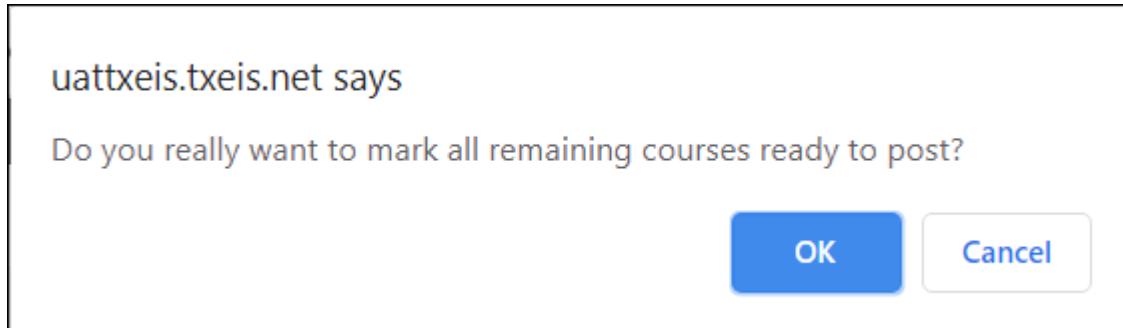

The screenshot shows the 'Admin Options' page. At the top, it says 'You are logged on as an administrator with full access.' and 'Administrator Access To: all campuses.' Below this, under 'Run as Teacher', it shows 'Campus: 001 - 001 School' and 'Teacher: (204) BRATTON, BERTHA MARIE'. A section titled 'Logging Status: **Disabled**' follows. At the bottom, there is a section titled 'Admin Options' with a red arrow pointing to it. Below this, a sub-section titled 'Ready to Post:' is shown, with a red arrow pointing to the 'Mark Ready to Post' button. The 'Ready to Post:' section displays the following text:
Mark Ready to Post for Campus 001, Semester 2, Cycle 2
0 Courses have already been Posted or Marked Ready to Post.
339 Courses have not been Marked Ready to Post

Click **Mark Ready to Post** to mark all courses at the campus as ready to post, including any courses where the teacher has not clicked **Mark grades as Ready to Post** on the Cycle Grades page. The button is only displayed for current cycles that are open for posting.

The following is also displayed:

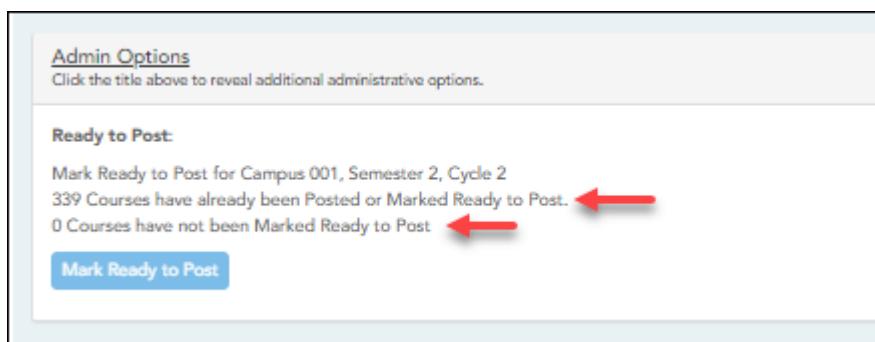

- The campus, semester, and cycle for which you will be marking courses as ready to post.
- The number of courses that have already been marked as ready to post (before clicking the button).
- The number of courses that have not yet been marked as ready to post (before clicking the button).

You are prompted to confirm that you want to mark all remaining courses as ready to post.

Click **OK**.

A message is displayed indicating that courses were posted.

View Courses Marked Ready to Post

Click to view a report of all courses that have been marked as 'Ready to Post.' The report opens in a new window.

Reports

[Reports > Missing Averages](#)

[Reports > Missing Averages](#)

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This campus report lists teachers who have students with no working cycle average. You can run the report with or without listing the students who are missing averages. The data is sorted by teacher, course, and section, and includes the total number of students who do not have averages, and the teacher's course-sections.

Students in non-graded courses, and courses with zero max seats are not included.

Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	The current cycle is displayed. You can select a different cycle.
Campus ID	If you are logged on with a district-level administrative ID, you can select another campus. Otherwise, you can only run the report for the campus displayed.
Show Self-Paced Courses	Select to include self-paced courses. If selected, students in both regular and self-paced courses are included. Otherwise, only students in regular courses are included.
Show Student Names & ID's	Select to include the list of students (name and student ID) in each course-section who are missing averages.

Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.

[Reports > Blank/Missing Grades by Grade Level](#)

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This report lists blank, missing, and incomplete assignment grades sorted by grade level, student, course, and period according to options entered on this page.

Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	The current cycle is displayed. You can select a different cycle.
Grade Level	Type a grade level to view data for a specific grade level. Leave blank to view all grade levels.

Campus ID	Type a three-digit campus ID to view data for a specific campus. Leave blank to view all campuses in the district.
------------------	--

Grade Selection Options	Select the items you want to include in the report. For example, to include all student assignment grades for which no grade has been entered, select Show Blank Grades . To include all items, select Select All .	
Viewing Options	Page break between students	Select to print one student per page. Otherwise, the data will print continuously.
	View all assignments due after	Select to narrow assignments by date, and enter a valid school date .

Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.

[Administrator Options > View Courses Marked Ready to Post](#)

This page is only available to users who log on to TeacherPortal with a district-level security administrator user ID.

This page allows you to view and print a report of courses marked as ready to post for the cycle from the Administrator Options page. The page can only be accessed through the Administrator Options page after all courses are marked as ready to post. The **View Courses Marked Ready to Post** button is displayed.

The report heading includes the campus ID, semester, cycle, and date the report was generated. All courses-sections-periods ready to post are listed by teacher.

Generate the report:

From the Administrator Options page, click **View Courses Marked Ready to Post**.

The report opens in a new window.

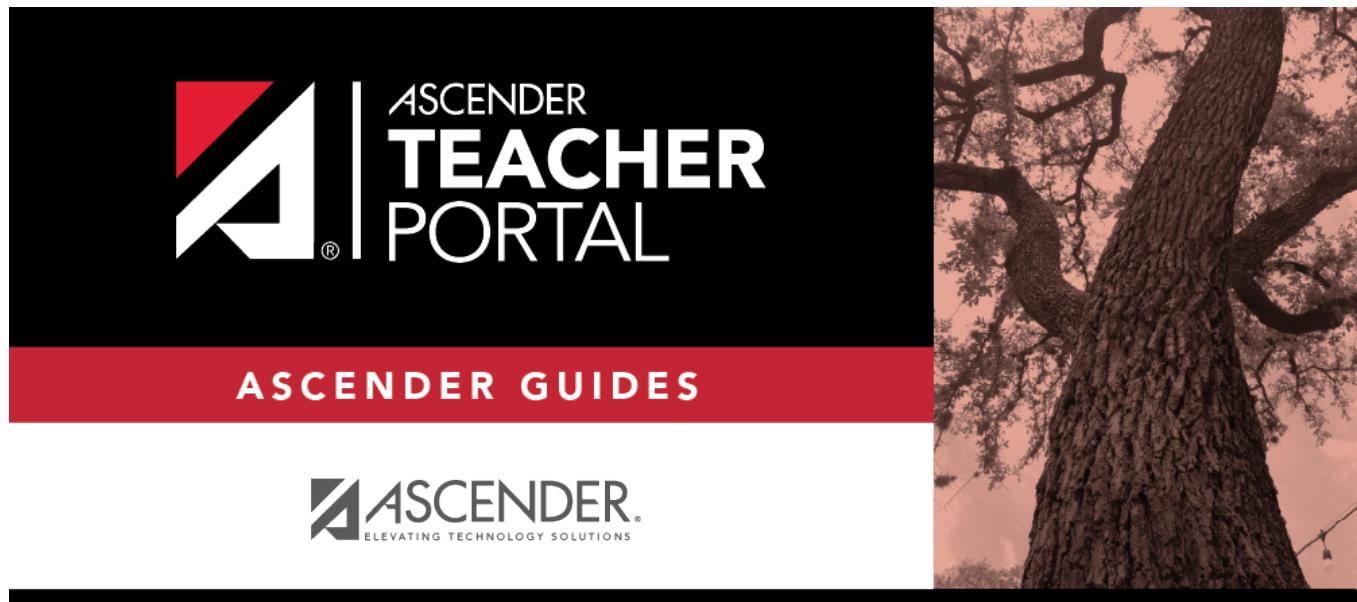

Print the report:

- Click **Print**.

The Print window opens allowing you to select your printer and settings. Click **Print** to continue.

- To close the report, click **Close Window** in the report window.

The report selection page remains open on your desktop.
