Reports

[Reports > Assignment Grades Last Updated](#)

[Reports > Assignment Grades Last Updated](#)

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This report lists the last date and time each teacher saved assignment grades in TeacherPortal, sorted by teacher, course, and section.

NOTE: The **Last Updated** column on the report is shaded red for teachers who have not updated assignment grades during the time frame specified. In order for the red shading to appear on the printed report, you must set your printer settings to enable background printing. For more information, [click here](#).

[Reports > Final Grade Range](#)

[Reports > Final Grade Range](#)

The report displays final grades that fall within a specified range according to options entered.

Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	The current cycle is displayed. You can select a different cycle.
Course-Section	Select the course-section for which to print the report. The drop down lists the two-digit period and course name. The course number and section number are in parentheses.

Under Grade Selection Options, select the range of grades to include in the report:

Grade Level	Specify the grade level to run the report for, or leave blank to run the report for all grade levels.
Show all Final Grades	Select to include all final grades. Blank and incomplete grades are excluded unless you select Show Blank Grades and/or Show Incomplete Grades .
Show all Final Grades between	Select to narrow the report to a specific range of grades, and type a maximum and minimum grade in the Maximum grade and Minimum grade fields. A note below the Maximum grade and Minimum grade fields indicates the highest failing final grade at the campus for your reference.
Show Blank Grades	Select to include blank grades on the report, regardless of the settings of the Maximum grade and Minimum grade fields.
Show Incomplete Grades	Select to include incomplete grades on the report, regardless of the settings of the Maximum grade and Minimum grade fields.

Under Viewing Options:

View Student Names	Select to display the student names on the report. Otherwise, the names are not printed on the report, and students can only be identified by their student IDs. The student IDs are always displayed on the report.
View Current or All Course Section(s)	Select one: Current Select to narrow grades to only course-sections for the current semester-cycle. All Select to print grades for all course-sections.
View Current Cycle Grade	This field is only displayed for standards-based courses.

Under Admin Options:

These fields are only displayed if you are logged on as an administrative user.

Across Campus	Select to view grades for all courses across the campus. Otherwise, grades are only displayed for the selected course-section or for the impersonated teacher's courses. NOTE: If you are impersonating a teacher for whom no courses are defined, the message "No courses defined" is displayed at the bottom of the page, and the fields are disabled. However, once you select Across Campus , the message is removed because it may not apply to all instructors at the campus, and the fields are enabled.

[Reports > Graded Assignment Count](#)

[Reports > Graded Assignment Count](#)

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This report lists a teacher's number of graded assignments for a specified date range by course or by category. You can also specify a threshold for a specific course or category (e.g., teachers who have fewer than 10 graded assignments in the Homework category). The report can be run for one teacher or for the entire campus.

Graded assignments for self-paced and pass/fail courses are not included.

IMPORTANT: The **Date Assigned** field on [Settings > Manage Assignments](#) is critical for running this report. If the field is blank for an assignment, and you are using the **From Date** and **To Date** fields when generating this report, the assignment will not be included. However, if you do not specify a date range, assignments with blank **Date Assigned** fields will be included.

Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	The current cycle is displayed. You can select a different cycle.
Use Date Assigned	Select to specify a date range. You must select this field in order to use the From Date and To Date fields.
From Date	Enter the beginning and ending dates. Both dates must be within the selected semester-cycle.
To Date
