Manage Long-Term Substitutes

Teacher Admin > Admin - Manage Long-Term Substitutes

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This page allows you to maintain a list of long-term substitute teachers who are granted access to use TeacherPortal on behalf of a teacher who is out for an extended period of time. This is set up at the campus level.

When the substitute logs in to TeacherPortal as the teacher, the welcome page will display a field allowing the substitute to select the teacher for whom he is substitute teaching. Then, the substitute can proceed to use TeacherPortal as the teacher.

- A long-term substitute can be assigned to more than one teacher.
- A long-term substitute can be assigned to a teacher who teaches at more than one campus. In this case, the substitute will be able to select the campus, just as the regular teacher does.
- A teacher who teaches their own classes can also be assigned as a long-term substitute for another teacher.
