

assignment_grades_exclude_all

Table of Contents

Click to mass exclude grades for an assignment for all students.

(The button is at the bottom of the assignment grade column; you may need to scroll down.)

The button for the column turns red, all indicator icons are red, and the field turns gray to indicate that the grade is excluded for the student. To override the exclusion for a specific student, click , unselect **Exclude**, and then click **Ok**.
