

assignment_grades_intro

Table of Contents

This page allows you to view and enter assignment grades for students by semester, cycle, and course-section. You can enter comments and indicators for each assignment grade (e.g., excluded, late, or re-do), and you can print grades by assignment. You can also accept transfer students into a course and enter a walk-in average for those students.

NOTE: Students are not listed on this page prior to the first day of school.
