To resolve this issue so that the new instructor can add the course to a group, a txGradebook administrator must delete the course from the original instructor's group as follows:

1. Log on to txGradebook and impersonate the new instructor.
2. While impersonating the new instructor, go to Settings > Administer Courses. Retrieve the course-section, and then click  to delete the course from the group.
3. Click **Save**.
4. Repeat for all applicable courses.
