Table of Contents

This page allows you to select the students to print IPRs for. The IPR is generated for a specific point in time during the current semester-cycle to provide a report of a student's grades up to that point. You can run IPRs any time throughout the semester, including occasions when you are meeting with a student's parents and want to show them a detailed report of the student's grades. You can also print IPRs for previous semesters-cycles.

For each student, you can select the semester and cycle, the courses you want to print IPRs for, and the level of detail you want to include on the report.
