Elementary Letter Skills & Elementary Number Skills

Grades > Elementary Report Cards > Elementary Letter Skills

Grades > Elementary Report Cards > Elementary Number Skills

These pages allow you to record whether the student has achieved certain skills related to alphabet letters and numbers. The pages are only available if the letter skills and number skills grids have been selected for inclusion on the report card on the Admin Skills-Based Report Card Setup - Step 2 page.

Letter and number skills are a cumulative assessment; they are not stored by semester-cycle.
