# Assignment Grades Report

## Reports > Assignment Grades

This report lists assignment grades for all students in a course according to options entered on this page. The overall assignment average and class average are also displayed.

- Excluded grades are indicated by Ex in place of the grade.
- Dropped grades are indicated by D next to the grade.

The **Category Legend** as it appears on the report matches the **Cat ID** (category ID) column (in the **Assignment Legend**) to the corresponding category name and category weight. The **Assignment Legend** matches the assignment ID heading to the corresponding assignment name, total points, and **Cat ID**.
