Cycle Grade Range

Reports > Cycle Grade Range

The report displays cycle grades that fall within a specified range according to options entered.

- If a posted grade exists, the posted grade is used.
- If no posted grade exists, the override grade is used.
- If no override grade exists, the working cycle average is used.
- If no working cycle average exists, the auto grade is used.
- If no grade exists, the grade is blank.
- Administrative users have the option to view the grades for all courses across the campus.

Generate the report:

☐ Specify report options:

Semester	The current semester is displayed. You can select a different semester.
Cycle	The current cycle is displayed. You can select a different cycle.
Course-Section	Select the course-section for which to print the report. The drop down lists the two-digit period and course name. The course number and section number are in parentheses.

☐ Under **Grade Selection Options**, select the range of grades to include in the report.

Grade Level	Specify the grade level to run the report for, or leave blank to run the report for all grade levels.
Show all Cycle Grades	Select to include all cycle grades. Blank and incomplete grades are excluded unless you select Show Blank Grades and/or Show Incomplete Grades .
Show all Cycle Grades between	Select to narrow the report to a specific range of grades, and type a maximum and minimum grade in the Maximum grade and Minimum grade fields. A note below the Maximum grade and Minimum grade fields indicates the highest failing cycle grade at the campus for your reference.
Show Blank Grades	Select to include blank grades on the report, regardless of the settings of the Maximum grade and Minimum grade fields.
Show Incomplete Grades	Select to include incomplete grades on the report, regardless of the settings of the Maximum grade and Minimum grade fields.

☐ Under **Viewing Options**:

View Student Names	Select to display the student names on the report. Otherwise, the names are not printed on the report, and students can only be identified by their student IDs. The student IDs are always displayed on the report.
