# Cycle/Semester/Final Grade Range Report

**Reports > Cycle Grade Range**

**Reports > Admin Reports > Semester Grade Range Report**

**Reports > Admin Reports > Final Grade Range Report**

These reports display either cycle, semester, or final grades that fall within a specified range according to options entered on the page.

For cycle grades, the following applies:

- If a posted grade exists, the posted grade is used.
- If no posted grade exists, the override grade is used.
- If no override grade exists, the working cycle average is used.
- If no working cycle average exists, the auto grade is used.
- If no grade exists, the grade is blank.
- Administrative users have the option to view the grades for all courses across the campus.

## Generate the report:

☐ Specify report options:

<b>Semester</b>	The current semester is displayed. You can select a different semester.
<b>Cycle</b>	The current cycle is displayed. You can select a different cycle.
<b>Course-Section</b>	Select the course-section for which to print the report. The drop down lists the two-digit period and course name. The course number and section number are in parentheses.

☐ If you changed the **Course-Section**, click **Retrieve Data**.

☐ Under **Grade Selection Options**:

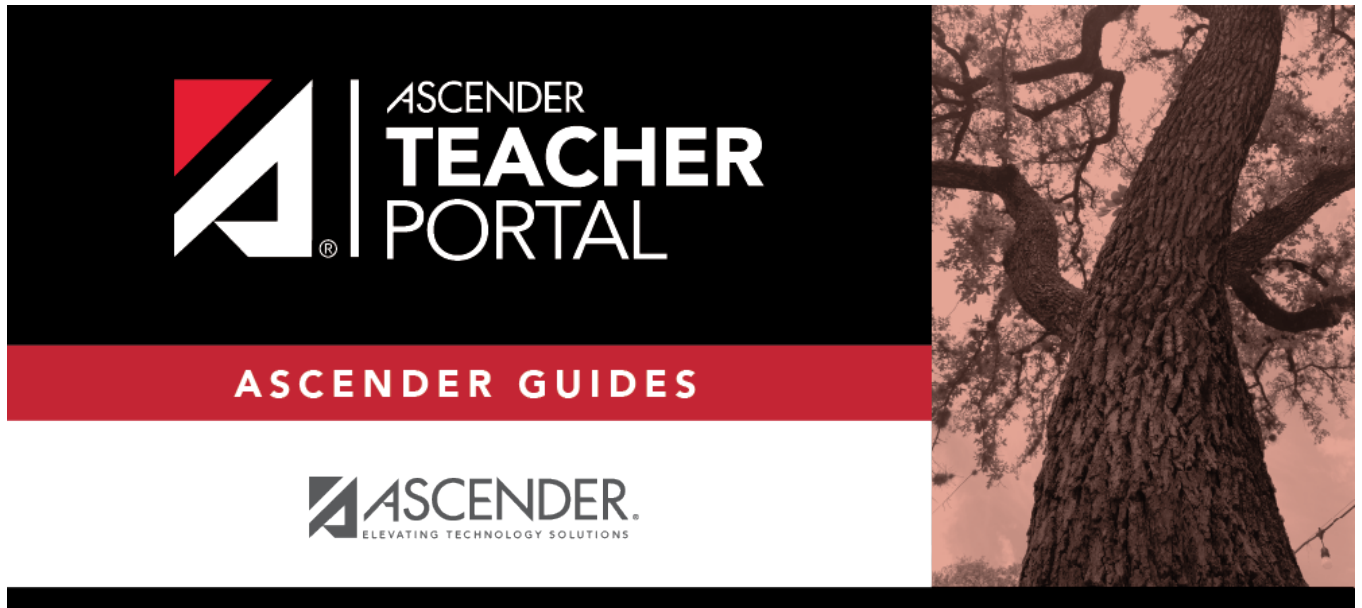

☐ Under **Viewing Options**:

<b>View Student Names</b>	Select to display the student names on the report. Otherwise, the names are not printed on the report, and students can only be identified by their student IDs. The student IDs are always displayed on the report.
<b>View Current or All Course Section(s)</b>	Select one:
	<b>Current</b> Select to narrow grades to only course-sections for the current semester-cycle.
	<b>All</b> Select to print grades for all course-sections.

☐ Click **Generate**.

- The report opens in a new window, and you can print the report from that window.
- The report selection page remains open on your desktop.
