Percent Failing Report

Reports > Percent Failing

This report provides the percentage of a teacher's students who have a failing working cycle average for each class, as well as a total for all of the teacher's classes. The data can be displayed in a pie chart or grid format. Non-graded courses are not included.

Administrative users have the option to view the data for all teachers across the campus.

NOTE: Background colors may not automatically print, depending on your browser settings. For more information, [click here](#).
