Copy Categories

Settings > Manage Categories

Once you establish the categories for a course on [Settings > Manage Categories](#), you can copy the categories to other course-sections. All categories for a course must be copied as a group to the other course; you cannot copy individual categories. The categories for a course-section cannot be copied to itself.

This page is only accessible from the Manage Categories page.

Update data:

- On the Manage Categories page, use the **Semester** and **Course-Section** fields to select the course-section *from* which to copy categories.
- Then, click **Copy categories to other course sections**. The Copy Categories page opens.

Your active courses are listed.

From	The course, period, and section from which you are copying categories is displayed.
Course	Click a course title to view the existing categories for the course. A window opens which displays the categories for the course.
	
	<p>Click OK to close the window.</p>

PIN Type your four-digit personal identification number (PIN).

Click **Copy**.

NOTE: If you attempt to copy categories to a course that already has categories (but no assignments), a warning message is displayed stating that you will override any categories that exist for the other course(s).

09 PRINAgFNR (2000-09) , for semester 2 has existing categories that will be overwritten.
