# Student Profile

The Student Profile information pages display demographic and course-related data for the selected student, including contact information, attendance record, class schedule, and photo.

These pages are not available through the menus. To access these pages, click a student's ID on the Attendance, Manage Seating Charts, Assignment Grades, Cycle Grades, or IPR Selection pages.

The Student Profile always displays the Contact Information page by default. To view another section of the student's profile, click the link on the left side of the page for the section you want to view.
