Copy Student Groups

Settings > Student Group Manager

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

Once a teacher has established a group using [Settings > Manage Student Group](#), you can copy the teacher's groups (with the students) to another teacher.

This page is only accessible from the Manage Student Groups page.

Copy data:

- From the Manage Student Groups page, click **Copy groups to another teacher**.

The Copy Student Groups page opens.

Copy From Teacher (left grid)	<p>The teacher you are impersonating (i.e., the teacher you selected in the Run as Teacher field on the Administrator Options page) is selected by default. You can select another teacher if you have administrative access to that teacher.</p> <p>The selected teacher's groups are listed.</p> <table><tr><td>Student Count</td><td>The number of students added to the group is displayed.</td></tr><tr><td>Copy</td><td>Select for the group(s) you want to copy from this teacher to another teacher.</td></tr></table> <p>You can only copy groups that do not already exist for the other teacher, and the other teacher must have an active TeacherPortal account.</p> <p>TIP: If you hover over a disabled Copy field, a pop-up message displays the reason the group cannot be copied (e.g., "Exists in destination").</p>	Student Count	The number of students added to the group is displayed.
