# PEIMS Reporting

All districts that are District Type *Charter* need to create the Charter School Waitlist interchange.

**State Reporting > Utilities > Create TSDS Core Collections Interchanges > Charter School Waitlist**

The screenshot shows the 'Create TSDS Core Collections Interchanges' page for 'Charter School Waitlist'. At the top is a 'Run' button. Below it are four input fields: 'Core Collection' (set to 'Charter School Waitlist'), 'Ending School Year' (a dropdown menu), 'Campus' (set to '001'), and 'As-Of Date' (a date input field). A large callout box titled 'Charter School Waitlist' contains four checkboxes: 'All TSDS Charter School Waitlist Interchanges' (checked), 'Education Organization Interchange' (checked), 'Student Enrollment Interchange' (checked), and 'Student Parent Interchange' (checked). Below this is a 'Selected Students' input field with a colon and a three-dot ellipsis.

## NOTES:

- This option only displays if the **District Type** field is set to *Charter* on the Registration > Maintenance > District Profile > District Information > Demographic Info tab.
- If the campus is participating (i.e. the **Participating Charter Admission Waitlist** check box is selected on the Registration > Maintenance > Campus Profile > Campus Information Maintenance > Demographic Info tab) and students are on the waitlist, then all three interchanges are generated.
- If the campus is participating and there are no students on the waitlist, then only the Education Organization Interchange is generated.

- In the **Core Collection** dropdown menu, select the submission type. For the Charter School Waitlist submission, select *Charter School Waitlist*.
- In the **Campus** field, type a three-digit campus ID, or leave blank to create interchanges for all

campuses.

In the **As-Of-Date** field, (Required) enter the as-of date for running this utility. The As-Of Date must be the last Friday in September (September 30, 2022).

Click **Run**.
