Verify that the following is set correctly:

**Submission Year** For the 2023-2024 school year, the field must be set to 2024.

**NEW FOR 2018:** It is no longer necessary to enter a crisis code on the Options page in TxEIS State Reporting. The **Generic Program for Crisis Reporting** field was removed. Changes in the Registration application now allow the program to automatically extract all crisis codes that are defined for students.
