SGR1600 provides a list of all students who have a CTE course in their schedule.

- Verify and update data for students in CTE, and verify their enrollment in a CTE-eligible class.
- Verify the information in columns **Car Tech Code** and **TEA Service ID**. Sorting the report by these columns may be helpful.
- The **CTE Crd Amt** field displays the number of hours earned for each course toward CTE contact hours. Ensure that all 6th-8th grade CTE courses display 0, unless it is a self-contained course for special education students only.
