# Crosswalks

## **TxEIS State Reporting > Crosswalks**

This page allows you to convert data in your district format to the standard TEA format for the fall and mid-year collections. This conversion only affects the data in the PEIMS tables, allowing you to continue maintaining your data in your format in the Business and Student systems.

### **Update data:**

Field	Description
<b>Crosswalk Type</b>	Select the <a href="#">crosswalk table</a> for which you want to convert data.

- The selected crosswalk table is displayed. [The list can be re-sorted.](#)

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A white triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

- A blank row is added to the bottom of the grid.

Field	Description
<b>Row Nbr</b>	The rows are automatically numbered.
<b>From</b>	Type the district code you want to convert.
<b>To</b>	Type the TEA format code to which you want to convert.  The <b>From</b> and <b>To</b> values must be different.

Click **+Add** to add a new row.

Click **Save**.

### **Other functions and features:**

<b>Print</b>	<p>Print the crosswalk report.</p> <p><b>Review the report using the following buttons:</b></p> <p>Click  to go to the first page of the report.</p> <p>Click  to go back one page.</p> <p>Click  to go forward one page.</p> <p>Click  to go to the last page of the report.</p> <p><b>The report can be viewed and saved in various file formats.</b></p> <p>Click  to save and print the report in PDF format.</p> <p>Click  to save and print the report in CSV format.
