Core Collection: Child Find Submission - DRAFT

Child Find is a federal mandate under the Individuals with Disabilities Education Act (IDEA). It requires local education agencies (LEAs), which include public school districts and charter schools, to identify, locate, and evaluate all children with disabilities residing within their jurisdictions who need special education and related services (34 CFR §300.111—Child Find). This program covers students from birth through age 21 and includes students for whom the special education evaluation process was completed.
