

extended_correct_frozen

Table of Contents

You may find extracted or merged records containing incomplete or inaccurate information. Use the Extended maintenance pages to update and correct the data saved in the district database (i.e., frozen data).

Data on these pages is updated every time data is extracted, including data that is manually entered.

NOTE: You cannot maintain data on maintenance pages while running an extract; a warning message is displayed on the Extended maintenance page indicating that the extract is in progress, and the **Save** button is disabled.
