--	----------

Core Collection: Residential Facilities (RF) Tracker Submission (Updated 2023-2024)

The Residential Facility (RF) Tracker is a yearly submission that tracks information for students with disabilities who reside in residential facilities within the geographic boundaries or jurisdiction of an LEA. An RF is a facility that provides 24-hour custody or care of students who reside there for detention, treatment, foster care, or any non-educational purpose.

NOTES:

- The ASCENDER Registration pages in this document are used to track ANY student who enters a residential facility, not just the students included in the RF Tracker submission. Summer PEIMS will also be using these fields to track attendance.
- RF Tracker interchanges are only created when the student's special education entry/exit dates and RF entry/exit dates overlap.

For example:

Special Ed Entry Date	RF Entry Date	Interchange
Entry Date = 9/1	Entry Date = 9/1	Generated with 9/1 entry date.
Entry Date = 9/1	Entry Date = 9/15	Generated with 9/15 entry date.
Entry Date = 9/15	Enter Date = 9/1	Generated with 9/1 entry date, but not until the job is run after 9/15.
N/A	Entry Date = 9/1	Not generated.
Entry Date = 9/1	N/A	Not generated.

- RF Tracker submission due date for LEAs - July 18, 2024

IMPORTANT: Each LEA will have unique situations. Some of the dates, images, and examples provided in this document are for informational and instructional purposes only and may not completely represent your LEA's process.

Prerequisites

- Verify that all roles and users are correct in ASCENDER Security Administration.

I. Identify Campus as Residential Facility

Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info

Campus ID:

NOTE: These settings are campus specific. If the same facility exists on multiple campuses, the information must be entered for each campus.

Campus-wide Residential Facility	Select if all students at the campus are residing in a residential facility.
---	--

☐ Under **Residential Facility Options**:

This list populates the **Residential Facility ID** drop-down field on **Registration > Maintenance > Student Enrollment > W/R Enroll** for students who reside in a residential facility.

County/Dist	The county-district number you are logged on to is displayed and cannot be changed. TWEDS Data Element: DISTRICT-ID (E0212)
Res Fac ID	Type the six-digit residential facility ID. TWEDS Data Element: RESIDENTIAL-FACILITY-ID (E1627)
Facility Name	Type the name of the residential facility, up to 60 characters.
Inst Day Len	The field is automatically populated with the Instructional Daily Minutes as entered for the default campus-track on Attendance > Maintenance > Campus > Campus Options . If the number of minutes in the school day at the residential facility is different, this field can be modified. TWEDS Data Element: RESIDENTIAL-FACILITY-STUDENT-SCHOOL-DAY-LENGTH (E1637)

II. Identify Students Enrolled in Residential Facility

Registration > Maintenance > Student Enrollment > W/R Enroll

IV. Create Interchanges

State Reporting > Utilities > Create TSDS Core Collections Interchanges

Run

Core Collection:

Residential Facility Tracking

Ending School Year:

2024

Campus:

001

Residential Facility Tracking

☒ All TSDS Residential Facility Tracking Interchanges

☒ Education Organization Interchange

☒ Student Enrollment Interchange

☒ Student Parent Interchange

Selected Students:

Core Collection	Select the submission. For the RF Tracking submission, select <i>Residential Facility Tracking</i> .
Ending School Year	(Display only) The submission year as entered in the Submission Year field on State Reporting > Options is displayed.
Campus	Type a three-digit campus ID, or leave blank to create interchanges for all campuses.

The interchanges are listed according to the **Core Collection** field.

☐ Select **All TSDS Residential Facility Tracking Interchanges** to create all interchanges for the Residential Facility Tracking.

Or, select the individual interchange you want to create.

Selected Students	The field is enabled if you selected all interchanges or a student-related interchange. Type or click  to select the students for whom you want to create an interchange. Separate multiple students (Texas unique student IDs) with a comma (e.g., 6895409515,1628657282,2986961713). Leave blank to select all students.
-------------------	---

☐ Click **Run**.

When the process is complete, you are prompted to save a .zip file containing the individual files for the completed interchanges.

The default name of the zipped folder is *District_YYYY-MM-DD.HH-MM-SS.TSDS.zip*, where:

- *District* is the six-digit county-district number
- *YYYY-MM-DD* is the date when the folder was created
- *HH-MM-SS* is the hour, minute, and second when the folder was created

Example: *015102-2018-11-11.15-30-22.TSDS.zip*

The default name for the individual files is *District_Campus_Collection_TimeStamp_Interchange.xml*, where:

- *District* is the six-digit county-district number
- *Campus* is the three-digit campus ID
- *Collection* is the nine-character collection (ending school year & submission)
- *TimeStamp* is the 12-digit date-time-stamp when the interchange was created (YYYYMMDDHHMM)
- *Interchange* is the name of the interchange created.

Example:

015116_000_2020TSDS_201912111420_InterchangeEducationOrganizationExtension.xml

If errors are encountered:

1. Correct the data in ASCENDER.
2. Create the interchanges again.

V. Guidance for the Mid-point RFT Check-in

As of the 2020-21 school year, TEA has implemented a new promotion and validation deadline that was added to the RF Tracker Timeline.

All RF Tracker data up to this point must be promoted, validated and fatal free. LEA will continue to report RF Tracker data as students enter and exit residential facilities or on a monthly basis throughout the school year. Mid-point RFT Check-in is due to TEA December 8, 2023.

The LEA will need to run the Summer PEIMS Special Education extract and generate the following Summer interchanges:

- *InterchangeEducationOrganizationExtension*
- *InterchangeStudentExtension*
- *InterchangeStudentProgramExtension*

Interchange	TSDS	SUMR
InterchangeEducationOrganizationExtension	Y	Y
InterchangeStudentExtension	Y	Y
InterchangeStudentParentExtension	Y	
InterchangeStudentEnrollmentExtension	Y	
InterchangeStudentProgramExtension	Y	Y
