# Core Collection: State Performance Plan Indicator 14 (SPPI-14) Submission (Updated 2022-2023)

The State Performance Plan Indicator 14 (SPPI-14) collection is one of the TSDS Core Collections. SPPI-14 requires the state to survey special education services recipients who have left high school. This collection is intended to obtain student and parent/contact information for the purpose of sending out the Post-School Outcomes Survey to a random sample of recipients.

The following students meet the requirements for State Performance Plan Indicator - 14 (SPPI-14) reporting:

- The student was enrolled in grade level 9-12.
- The student was served by special education services in the prior year, as reported in the PEIMS Summer submission.
- The student was reported as a leaver in the PEIMS Fall submission with one of the following leaver codes: 01, 24, 88, 90, 98.

**NOTE:** SPPI-14 pulls data from three different sources:

- Prior Year PEIMS Summer ACCEPTED (Cannot be corrected/updated for the SPPI-14 data collection)
- Current Year PEIMS Fall (Extracted from either the first submission or resubmission)
- Current Year TSDS

**IMPORTANT:** Each LEA will have unique situations. Some of the dates, images, and examples provided in this document are for informational and instructional purposes only and may not completely represent your LEA's process.

## Prerequisites

- Verify that all roles and users are correct in ASCENDER Security Administration.

## I. Verify ASCENDER Data

Verify data for each element on the following pages.

**IMPORTANT:**

The State Performance Plan 14 page is automatically populated.

When using the **Student** autosuggest field to retrieve a student, any 9-12 grade student enrolled at the campus in the prior year can be retrieved. If you use the **Directory**, only students who meet the SPPI-14 requirements are listed.

**Fatal Business Rule 40203-0023** - To avoid this fatal rule due to No Show students not being included in the SPPI-14 files, find these students using the **Student** autosuggest field on **Registration > Maintenance > State Performance Plan 14**. Retrieve the student, then click **Save**. ASCENDER will then bring over the data for the student's contact information and the parent/guardian's contact information.
