Core Collection: State Performance Plan Indicator 14 (SPPI-14) Submission (Updated 2023-2024)

The State Performance Plan Indicator 14 (SPPI-14) collection is one of the TSDS Core Collections. SPPI-14 requires the state to survey special education services recipients who have left high school. This collection is intended to obtain student and parent/contact information for the purpose of sending out the Post-School Outcomes Survey to a random sample of recipients.

The following students meet the requirements for State Performance Plan Indicator - 14 (SPPI-14) reporting:

- The student was enrolled in grade level 9-12.
- The student was served by special education services in the prior year, as reported in the PEIMS Summer submission.
- The student was reported as a leaver in the PEIMS Fall submission with one of the following leaver codes: 01, 24, 88, 90, 98.

NOTE: SPPI-14 pulls data from three different sources:

- Prior Year PEIMS Summer ACCEPTED (Cannot be corrected/updated for the SPPI-14 data collection)
- Current Year PEIMS Fall (Extracted from either the first submission or resubmission)
- Current Year TSDS

The State Performance Plan Indicator 14 (SPPI-14) submission is due February 15, 2024.

IMPORTANT: Each LEA will have unique situations. Some of the dates, images, and examples provided in this document are for informational and instructional purposes only and may not completely represent your LEA's process.

Prerequisites

- Verify that all roles and users are correct in ASCENDER Security Administration.

I. Verify ASCENDER Data

Verify data for each element on the following pages.

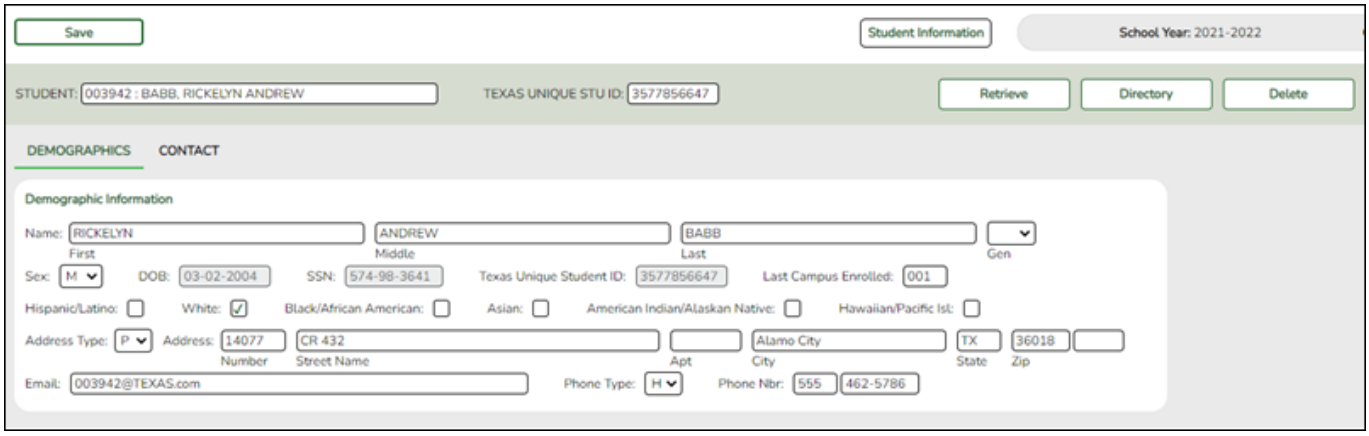

IMPORTANT:

The State Performance Plan 14 page is automatically populated.

When using the **Student** autosuggest field to retrieve a student, any 9-12 grade student enrolled at the campus in the prior year can be retrieved. If you use the **Directory**, only students who meet the SPPI-14 requirements are listed.

Fatal Business Rule 40203-0023 - To avoid this fatal rule due to No Show students not being included in the SPPI-14 files, find these students using the **Student** autosuggest field on ***Registration > Maintenance > State Performance Plan 14***. Retrieve the student, then click **Save**. ASCENDER will then bring over the data for the student's contact information and the parent/guardian's contact information.

E1269	—-	TELEPHONE-NUMBER	Phone Nbr
E1423	DC105	RELATION	Relation
E1427	—-	CONTACT-PRIORITY	Priority

NOTE: Only contacts with Priority 1 and 2 are needed for TSDS.

Registration > Maintenance > Student Enrollment > Contact

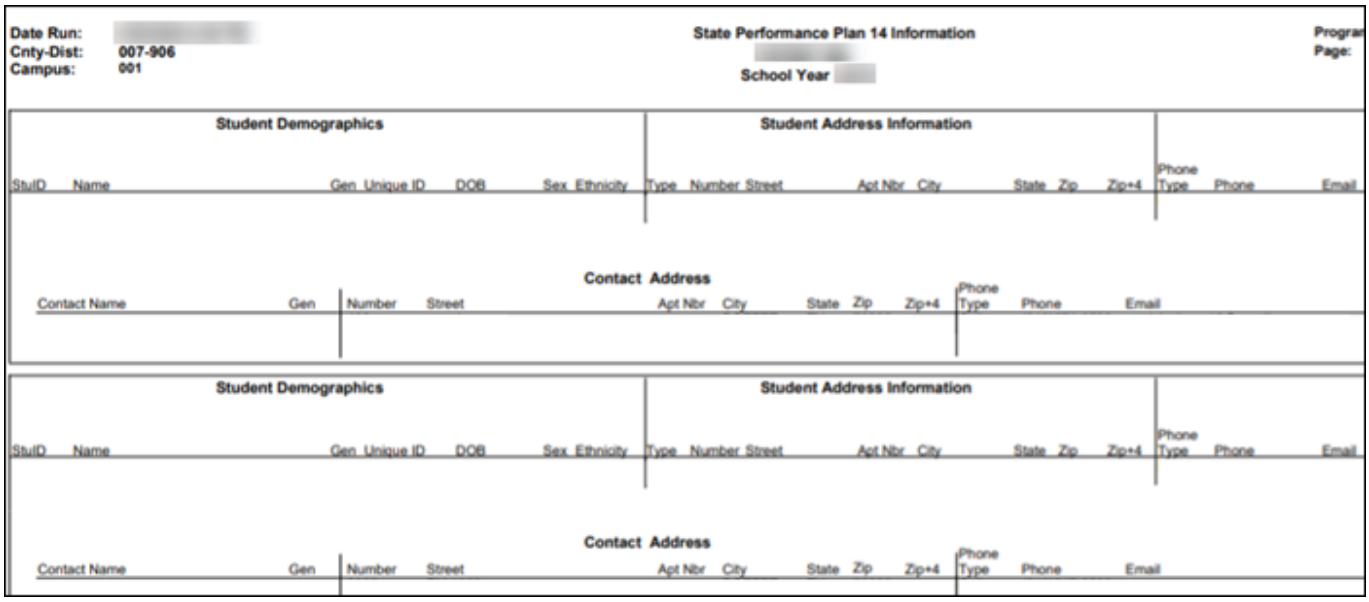

Reported Elements from Contact:

Element	Code Table	Data Element	ASCENDER Name
E1324	—-	PARENT-ID	Student
E1427	—-	CONTACT-PRIORITY	Priority

NOTE: The Parent ID will be created using the student's ID. An additional number will be appended to the right of the student ID for each parent. For example, if the student's ID is 123456, then the parent ID is 1234561. If there are two parents, the other parent's ID is 1234562.

Registration > Reports > Registration Reports > Student > SRG3014 - State Performance Plan14 Information

This report provides demographic and contact information for students who meet the requirements for State Performance Plan Indicator - 14 (SPPI-14) reporting.

II. Create Interchanges

State Reporting > Utilities > Create TSDS Core Collections Interchanges

Collection	Select the submission period. For the SPPI-14 submission, select *State Performance Plan Indicator - 14*.
Ending School Year	(Display only) The submission year, as entered in the **Submission Year** field on State Reporting > Options, is displayed. For example, for the 2021-2022 SPPI-14 submission, the field should display 2022.

The interchanges are listed according to the **Core Collection** field.

❑ Select **All TSDS *Collection* Interchanges** (e.g., **All TSDS State Performance Plan Interchanges**) to create all interchanges for SPPI-14.

Or, select the individual interchange you want to create.

Selected Students	The field is enabled if you selected all interchanges or a student-related interchange. Type or click the ellipsis to select the students for whom you want to create an interchange. Separate multiple students (Texas unique student IDs) with a comma (e.g., 6895409515,1628657282,2986961713). Leave blank to select all students. **Note**: At least one interchange must be selected in order for this field to retrieve students.

❑ Click **Run**.

When the process is complete, you are prompted to save a .zip file containing the individual files for the completed interchanges.

The default name of the zipped folder is *District_YYYY-MM-DD.HH-MM-SS*.TSDS.zip, where:

- *District* is the six-digit county-district number
- *YYYY-MM-DD* is the date when the folder was created
- *HH-MM-SS* is the hour, minute, and second when the folder was created

Example: *015102-2020-01-15.15-30-22.*TSDS.zip

The default name for the individual files is *District_Campus_Collection_TimeStamp_Interchange.xml*, where:

- *District* is the six-digit county-district number
- *Campus* is the three-digit campus ID
- *Collection* is the nine-character collection (ending school year & submission)
- *TimeStamp* is the 12-digit date-time-stamp when the interchange was created (YYYYMMDDHHMM)
- *Interchange* is the name of the interchange created.

Example: 120120_000_2019TSDS_202002030954_InterchangeStudentParentExtension.xml

❑ If errors are encountered:

1. Correct the data in ASCENDER.
2. Re-run the interchange(s).
