SDS0200 lists special education students who were assigned to a disciplinary setting. Special education services must be provided as outlined in the student's IEP while the student is placed in an appropriate disciplinary alternative education setting (for example, in-school suspension or DAEP). Special education contact hours should be claimed only if the IEP services are provided. If the IEP special education services are not provided, special education contact hours must not be claimed. This restriction includes short-term removals of not more than 10 consecutive or cumulative school days. Verify all data.

SDS1000 lists TSDS discipline data by grade level. Verify all data.

This report prints PEIMS discipline data by grade level and campus. For each incident listed, the first action and offense with a PEIMS code are displayed, and the offense code that will be extracted for PEIMS is indicated.

SDS1800 lists CTE students who were assigned to a disciplinary setting. CTE contact hours must not be claimed when a student receiving CTE services is placed in a disciplinary setting (for example, in-school suspension or DAEP) **for more than five consecutive days if the same amount and type of CTE services are not provided by a CTE teacher.** After five consecutive days without CTE services being provided, LEA personnel must remove the student from the TSDS PEIMS 42401 Special Programs Reporting Period Attendance Extension eligible days present effective the first day of placement in the disciplinary setting. Verify all data.

This report only works if the student has a CTE indicator on the Demo3 tab.
