Select Local Program

The local program lookup displays all loacl programs offered in the **Submission Year** for the selected campus in alphanumeric order by code.

Select a grade level:

To search for a local program, begin typing the code or description in the **Search** field. The list is automatically filtered to display the program that *contain* the characters you have typed.

When you locate the program you want to retrieve, click the program code. The lookup closes, and the field is populated with the code.

Click **Cancel** to close the lookup without selecting a local program code.
