Select Generic Program

The generic program lookup displays all generic programs offered in the **Submission Year** for the selected campus in alphanumeric order by code.

Select a grade level:

To search for a generic program, begin typing the code or description in the **Search** field. The list is automatically filtered to display the program that *contain* the characters you have typed.

When you locate the generic program you want to retrieve, click the program code. The lookup closes, and the field is populated with the code.

Click **Cancel** to close the lookup without selecting a generic program code.
