Child Find: SPPI-12 finds Enrolled students age 0-3 as of September 1st.

The screenshot shows a web-based student information system. At the top, there is a 'Save' button and a 'Student Information' tab. The student's name is 'LAYLA CRUZ' and their Texas Unique Student ID is '7472684815'. The 'Student Indicators' section contains two checkboxes: 'Child Find: SPPI-11' and 'Child Find: SPPI-12', both of which are circled in red. Other sections include 'Demographic Information' with fields for grade, entry date, and SSN; 'Current / Next Year Information' with fields for control numbers and team codes; and 'Attendance Zones' with a table showing no rows.

**Update data:**

- Retrieve a student who is already enrolled at the campus using their Local Student ID, Student Name, or Texas Unique Student ID.
- Select the **Child Find: SPPI-11** checkbox in the **Student Indicators** section.
- Click **Save**. The student is assigned a Child Find ID (CF\_ID).
