Table of Contents

Information retrieved on this tab for an enrolled student is read-only and cannot be modified. Information can only be edited on *Registration > Maintenance > Demo1*.

Exclude from reporting is not used with enrolled students and is disabled on this screen.

Absences Within Timeframe is a calculation derived from the number of absences between the **Consent to Evaluation Received Date** and the **Initial Evaluation Date** found on *Child Find Data* and counts only those absences in an Average Daily Attendance (ADA) period. If those dates have not been entered, the field will show 0. This number is used by TEA to determine if the district is in compliance.
