Table of Contents

Retrieved information on this tab for an enrolled student is read-only and cannot be modified.

Absences Within Timeframe is a calculation derived from the number of absences between **Parent Consent Date** and the **Initial Evaluation Date** and counts only those absences in an Average Daily Attendance (ADA) period. If those dates have not been entered, the field will show 0.

Retrieve a Student:

NOTE: The **Student** field does not autocomplete at this time as this page retrieves enrolled and non-enrolled students.

- Type the exact Student ID or the exact Texas Unique Student ID.
- Click **Retrieve**.

OR

- Click **Directory** to select a student from the directory.

The **Directory** screen will display students that have been marked with the Child Find: SPPI-11 indicator on *Maintenance > Student Enrollment > Demo1*.

Stu ID	CF ID	LastName	FirstName	MI	Campus	Grd	SSN	Unique Stu ID
012993	5	CRUZ	LAYLA		001	12		

NOTE:

The **CF ID** is the ID auto-generated and assigned on Demo1.

The **Campus ID** field auto-populates with the campus number on which the user is logged in.

The student's **Campus** number identifies the student's campus of enrollment.

- Click the student's CF ID to Retrieve.
