Information retrieved on this tab for an enrolled student is read-only and cannot be modified. Information can only be edited on *Registration > Maintenance > Demo1*.

**Absences Within Timeframe** is a calculation derived from the number of absences between **Parent Consent Date** and the **Initial Evaluation Date** and counts only those absences in an Average Daily Attendance (ADA) period. If those dates have not been entered, the field will show 0. This number is used by TEA to determine if the district is in compliance.

**Exclude from reporting** is not used with enrolled students and is disabled on this screen.
