# Staff Extract Automatic Crosswalks

If your district maintains staff payroll data in greater detail than the state-mandated level, the detail is summarized to the state-mandated level. The automatic crosswalks in the PEIMS extract program perform the summarization.

The state-mandated level of detail for staff payroll data can be found in the [TEA Financial Accountability System Resource Guide](#).

The program only extracts staff payroll records where the object is 6148, 6149, or  $\leq$  6139, and the fund is  $\leq$  799. The extract program will automatically make the following changes to the staff payroll data being extracted to PEIMS:
