TSDS > Maintenance > Extended > Flex Att CTE

Complex type: *SpecialProgramsReportingPeriodAttendanceExtension*

The flexible CTE attendance record includes information for CTE flexible attendance. The CTE flexible attendance data record is created for each eligible student who attended on a particular day at least 45 minutes of instruction and was served in an approved career and technical education program in the district. If the district offers instruction in CTE courses that have not been approved for funding, a flexible attendance data record should not be created for any student served in those courses.

Modify a record:

Select a student

To retrieve a student's records, select the student in one of the following ways:

Stu ID	Begin typing the student ID. As you begin typing the student ID, a drop-down list displays students whose ID matches the numbers you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.
Stu Name	Begin typing the student's name in one of the following formats: • Last name, comma, first name • Last name initial, comma, first name initial As you begin typing the name, a drop-down list displays students whose names match the letters you have typed. The drop-down list also displays student IDs, and grade levels. From the drop-down list you can select the student.
Texas Unique Stu ID	Begin typing the student's Texas Unique Student ID. As you begin typing the ID, a drop-down list displays students whose ID matches the numbers you have typed. The drop-down list also displays student's last name, first name, middle name, and grade level. From the drop-down list you can select the student.
Directory	Click **Directory** to select a student from the directory.

Click **Retrieve** to retrieve the selected student.

Click **+Add** to add a blank row.

Field	Description
