TSDS > Maintenance > Extended > Flex Att Spec Ed

Complex type: *SpecialProgramsReportingPeriodAttendanceExtension*

The flexible special education attendance record includes information for special education flexible attendance. The special education flexible attendance data record indicates the number of days the student was present in a special education instructional setting, the code for the type of instructional setting, and the number of excess minutes the student spent in this setting.

Modify a record:

Select a student

To retrieve a student's records, select the student in one of the following ways:

Stu ID	Begin typing the student ID. As you begin typing the student ID, a drop-down list displays students whose ID matches the numbers you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.
Stu Name	Begin typing the student's name in one of the following formats: • Last name, comma, first name • Last name initial, comma, first name initial As you begin typing the name, a drop-down list displays students whose names match the letters you have typed. The drop-down list also displays student IDs, and grade levels. From the drop-down list you can select the student.
Texas Unique Stu ID	Begin typing the student's Texas Unique Student ID. As you begin typing the ID, a drop-down list displays students whose ID matches the numbers you have typed. The drop-down list also displays student's last name, first name, middle name, and grade level. From the drop-down list you can select the student.
