Update data for the *StudentExtension* and *StudentProgramExtension* complex type as needed.

The *StudentExtension* complex represents a student for whom instruction and/or services are provided in an elementary, secondary, or post-secondary educational program under the jurisdiction of an LEA.

The *StudentProgramExtension* complex represents any program designed to work in conjunction with or to supplement the main academic program. Programs may provide instruction, training, services or benefits through federal, state, or local agencies. Programs may also include organized extracurricular activities for students.

Click to add a student who does not already exist in ASCENDER State Reporting tables. Manual entry of a student is rare and generally only needed when a district is using ASCENDER State Reporting only. Most districts extract the data from ASCENDER. If you add or modify a student record in ASCENDER State Reporting, you should also update in ASCENDER (live).
