# Nonclassroom Responsibilities (Fall)

**State Reporting > Maintenance > Fall > Staff > Nonclassroom Responsibilities**

Update data for the *StaffResponsibilitiesExtension* complex type as needed for services performed outside the classroom.

The *StaffResponsibilitiesExtension* complex reflects the assignments for professional and paraprofessional staff only. Multiple records are required for persons who perform duties on more than one campus, assume more than one role, and/or perform more than one type of service. By definition, if no staff responsibility record is reported, the assumption is made that the person is an auxiliary staff member.
