State Reporting > Maintenance > Fall > Staff > Nonclassroom Responsibilities

Update data for the *StaffResponsibilitiesExtension* complex type as needed for services performed outside the classroom.

The StaffResponsibilitiesExtension complex reflects the assignments for professional and paraprofessional staff only. Multiple records are required for persons who perform duties on more than one campus, assume more than one role, and/or perform more than one type of service. By definition, if no staff responsibility record is reported, the assumption is made that the person is an auxiliary staff member.
