Update data for the *StudentSchoolAssociation* and *StudentProgramExtension* complex types as needed.

The *StudentSchoolAssociationExtension* complex represents the campuses in which a student is enrolled and/or withdrawn.

The *StudentProgramExtension* complex represents any program designed to work in conjunction with or to supplement the main academic program. Programs may provide instruction, training, services or benefits through federal, state, or local agencies. Programs may also include organized extracurricular activities for students.

[Add a student.](#)

Click to add a student who does not already exist in ASCENDER State Reporting tables. Manual entry of a student is rare and generally only needed when a district is using ASCENDER State Reporting only. Most districts extract the data from ASCENDER. If you add or modify a student record in ASCENDER State Reporting, you should also update in ASCENDER (live).

State Stu ID	This field is required only if you are adding a new student in State Reporting. Otherwise, the ID is extracted from Registration and not editable. <ul style="list-style-type: none"> • The first character must start with S or 0-8. • The first three characters cannot be 000, 666, or 900-999. • The middle digits (4th and 5th digit) cannot be 00. • The last four digits cannot be 0000. • The number cannot be 123456789, 219099999, or 078051120.
