Finance Actual (Midyear)

TSDS > Maintenance > Mid Year > Finance Actual

Complex type: ActualExtension

The actual finance data records provide actual detailed revenue and expenditure data and fund balances for the prior school year. Finance data must be audited. All data should be reported according to the PEIMS Standards and TEA Financial Accountability System Resource Guide. The data for each record consists of the account code and the actual amount. This information can be extracted from the TxEIS Finance files or entered manually for the midyear collection.

Modify a record:
