Staff Demo & Experience (Summer)

TSDS > Maintenance > Summer > Staff > Demo

Update data for the StaffExtension complex type as needed.

The *StaffExtension* complex represents an individual who performs specified activities for any public or private education institution or agency that provides instructional and/or support services to students or staff at the early childhood level through high school completion. This information can be entered manually or extracted from TxEIS Human Resources or imported from another source.

Modify a record:

Select a staff person

To retrieve a staff person's records, select the staff person in one of the following ways:

	Begin typing the staff ID. As you begin typing the staff ID, a drop-down list displays staff whose ID matches the numbers you have typed. From the drop-down list you can select the staff person.
Staff ID	Begin typing the staff person's Texas Unique Staff ID. As you begin typing the Texas Unique Staff ID, a drop-down list displays staff whose ID matches the numbers you have typed. From the drop-down list you can select the staff person.
Directory	Click Directory to select a staff person from the Staff Directory.

Field	Description	
Experience	Days	NUMBER-DAYS-EMPLOYED (E0160)
	Employed	
		Type the actual number of at-work days within the school year that the
		employee is scheduled to work. Do not include holidays, weekends, or any other days the employee is not scheduled to work.
		days the employee is not scheduled to work.
		If the employee does not work the same number of days as shown on the
		contract (e.g., the person does not begin work at the start of the school year),
		the actual number of days the employee will work must be reported.
	Total Years	TOTAL-YEARS-PROF-EXPERIENCE (E0130)
		Type the number of verifiable years of creditable experience as specified in 10
		Type the number of verifiable years of creditable experience as specified in 19 TAC, chapter 153.
	District	YEARS-EXPERIENCE-IN-DISTRICT (E0161)
	Years	TEARS-EXPERIENCE-IN-DISTRICT (E0101)
	lears	Type the number of completed years the person has been employed in any
		professional position in the current district or education service center, whether
		or not there has been any interruption in service.
	Percent of	PERCENT-DAY-EMPLOYED (E0760)
	Day	
		Type the percentage of a standard district work day for which the employee is hired to work. For an employee on contract, determine the percentage directly
		from the contract (i.e., full-time=100, half-time=050, etc).
		Hom the contract (i.e., fair time=100, hair time=050, etc).
		For a non-contract employee, determine the percentage as follows: Example:
		The standard work day for the district is 7 hours. The employee is hired to work
		for 4 hours a day. In this case, type 057 for the employee because $4/7 = .571$,
		which is rounded down.
		Employees such as cafeteria workers and bus drivers who work only a few hours
		each day should not be reported as 100. Do not look at the job, but rather the
		number of hours worked in relation to the standard district work day.
	Highest	HIGHEST-DEGREE-LEVEL-CODE (E0730)
	Degree	Code table: C015
		Select the highest post-secondary degree the person has earned from an accredited institution.
	Stoff Tyme	
	Staff Type	STAFF-TYPE-CODE (E1073) Code table: C181
		Code tubic. C101
		Indicate if the employee is on the district payroll or is a contracted instructional
		staff person.
	Auxiliary	AUXILIARY-ROLE-ID (E1594)
	Role ID	Code table: C213
		Click to select the capacity in which a non-exempt auxiliary employee serves.
		This must be reported for all employees who serve in a non-professional or non-paraprofessional role. Employees reported with an Auxiliary Role ID are reported
		with the base pay associated with object code 6129.
		Professional and paraprofessional staff may also be reported with an Auxiliary
		Role ID if they serve the LEA in a non-professional or non-paraprofessional role.
		A classroom teacher (Role ID 087) who also drives a bus route for the school
		would require an Auxiliary Role ID to be reported. In this case, the employee
		would have at least two payroll accounting entries: one with object code 6119,
		and one with object code 6129.
		Because there may be duplication between Role ID and Auxiliary Role ID, the
		district must use its discretion in determining if the employee is serving in a
		professional or non-professional capacity.
