Field	Description	
Experience	Days Employed	NUMBER-DAYS-EMPLOYED (E0160)
		Type the actual number of at-work days within the school year that the employee is scheduled to work. Do not include holidays, weekends, or any other days the employee is not scheduled to work. If the employee does not work the same number of days as shown on the contract (e.g., the person does not begin work at the start of the school year), the actual number of days the employee will work must be reported.
	Total Years	TOTAL-YEARS-PROF-EXPERIENCE (E0130)
		Type the number of verifiable years of creditable experience as specified in 19 TAC, chapter 153.
	District Years	YEARS-EXPERIENCE-IN-DISTRICT (E0161)
		Type the number of completed years the person has been employed in any professional position in the current district or education service center, whether or not there has been any interruption in service.
	Percent of Day	PERCENT-DAY-EMPLOYED (E0760)
		Type the percentage of a standard district work day for which the employee is hired to work. For an employee on contract, determine the percentage directly from the contract (i.e., full-time=100, half-time=050, etc).
		For a non-contract employee, determine the percentage as follows: Example: The standard work day for the district is 7 hours. The employee is hired to work for 4 hours a day. In this case, type 057 for the employee because 4/7 = .571, which is rounded down.
		Employees such as cafeteria workers and bus drivers who work only a few hours each day should not be reported as 100. Do not look at the job, but rather the number of hours worked in relation to the standard district work day.
	Highest Degree	HIGHEST-DEGREE-LEVEL-CODE (E0730) Code table: C015
		Select the highest post-secondary degree the person has earned from an accredited institution.
	Staff Type	STAFF-TYPE-CODE (E1073) Code table: C181
		Indicate if the employee is on the district payroll or is a contracted instructional staff person.
	PK Teacher Requirement	PK-TEACHER-REQUIREMENT PEIMS (E1581) Code table: C207
		Select the code indicating how the teacher meets the PK teacher requirement.
